DESIGN CONCEPT CORK FLOORING

It is a real evolution in natural flooring. It shares the special features of a cork floor, like comfortability, warmth and sustainability with a wide range of design possibilities. Imagine walking barefoot on warm floor that looks like timber but has the great feeling of cork.

Design Concept Cork Plank Flooring

- Plank size : 1200mm x 210mm x 6mm
- 10 x timber patterns and colours
- Glue down (hard set adhesives)
- High resistance matte finish top coat
- 15 planks per box / 3.78m²
- Eco friendly natural cork
- UV resistant
- Stain resistant
- Waterproof
- Residential and commercial
- Warm and comfortable under foot
