Stone Plastic Composite Rigid Core Click Plank Flooring known as hybrid flooring

Casa NBP - "NO BACK PADDING FITTED VERSION"

INTERNAL FLOAT FLOORS AND FEATURE WALLS

Description

SPC Hybrid Flooring is a very durable, waterproof click plank float flooring for residential installations. Casa series "No back padding fitted version" gives you greater options of installations – both internal floors and feature walls. Realistic looking timber grain textures and 11 new bold colours. Float lay over our supplied acoustic / anti fracture flooring underlayments. Adhere to walls to create an amazing timber look feature. Approved for use with underfloor heating systems. Perfect for installing over timber floors.
